

Hello,

I am a constituent of IL03 and strongly oppose the remapping of my district. Our district has historically been a Southwest Side and southern Cook County district. Dividing communities and extending beyond its general shape is completely retrogressive and will break up our diverse constituency, diluting our representation in Congress.

This isn't about protecting a particular representative (Marie Newman), this is about protecting the people's power that got her elected. The proposed map breaks the backs of our grassroots coalition that worked for two election cycles to send her to Congress.

Please consider this alternative for IL03.
